PARTNERSHIP

THE CREATOR OF THE GAME WITH
OVER A MILLION DOWNLOADS,
ILLUMATE STUDIOS, IS TEAMING
UP WITH NEUROLANCHE FOR THE
ASTAR STRIKE GAME.

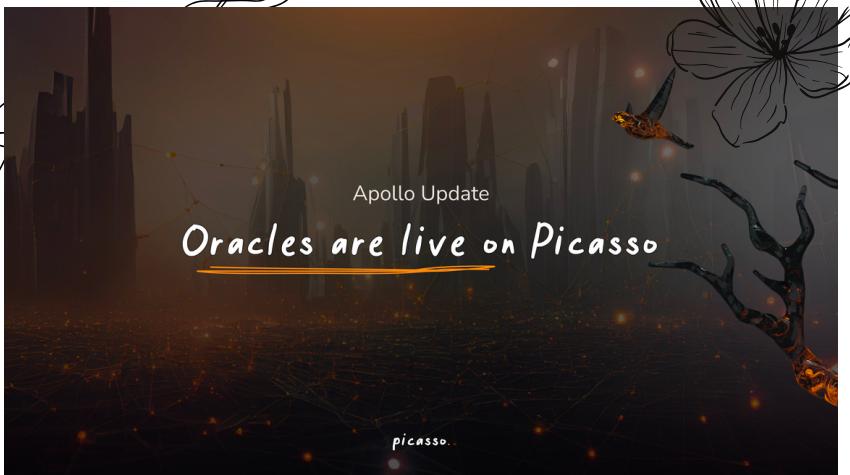

WE ARE BUILDING FUTURE ON THE
ASTAR NETWORK ECOSYSTEM!

Partner between Illuminate Studios and Neurolanche, which have over a million downloads.

Neurolanche are putting together the new round of strategies to attract more stakers to our dApp in dApp staking, and one of the strategies will precisely involve the possibility of earning this Soul Bound Nft, which will grant access to Neurolanche game Astar Strike. This will allow users to earn rewards within the game.

Oracles (Apollo) are now in production on Picasso, empowering trustless access to off-chain data. This marks an important step forward for decentralized applications in the Picasso & Composable ecosystem.

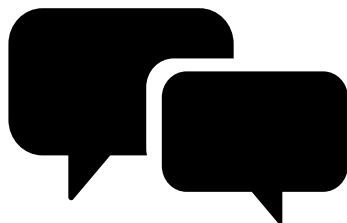

Fearless Wallet is teaming up with Awesome Ajuna Avatars on Ajuna Network, enabling AAA experience via Fearless Wallet browser extension.

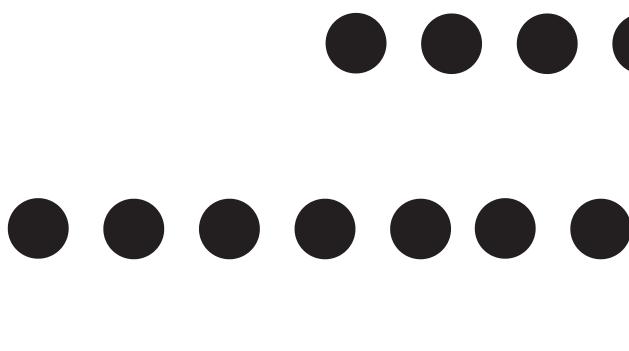

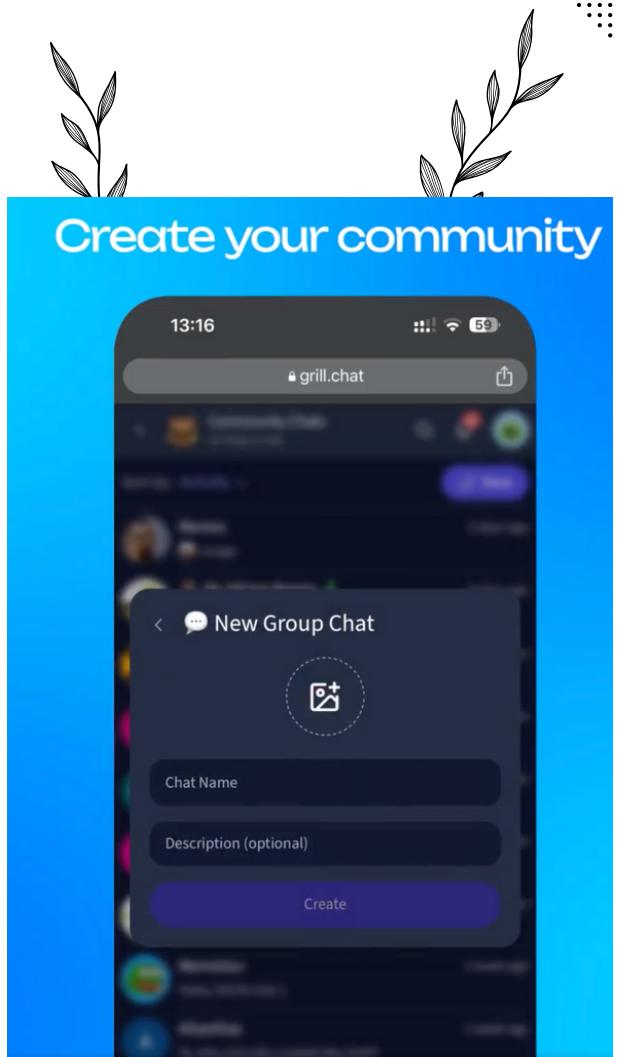

Secure in-game transactions await an exciting experience. Hold tight for the bigger reveal!
